SIGNATURE COCKTAILS

FROZEN PICCOLA VENEZIA 75

White rum cordial, mango puree, lime juice, grenadina, orange juice
Fleeing from the hustle and bustle of the City, in 1570, Sorkocevic family builds a mansion in this part of the Lapad peninsula, later known as Piccola Venezia, which still stands 450 years later. During the hot summer days they refreshed themselves with a drink of cordial mixed with juices of southern fruit harvested directly from their garden. For the enjoyment to be complete, their estate guardians brought them ice from the northern slopes of Mount Sniježnica under the auspices of the night. So today you have the opportunity to taste in what our patrician family has indulged in the past.

LAST REPUBLIC GIN 75

Gin, medlar liqueur, lavender liqueur, lime juice
200 years closer, the owner of Piccole Venezie is Sabo Giorgi, the last Duke of Dubrovnik. Sitting on the terrace with his guest, Napoleon General Marmont discussing the fate of the Republic of Dubrovnik, they enjoy the new drink brought by the Dubrovnik sailors from England. The gin, given it's strong taste they mitigated it with lemon juice, medlar and lavender twig. A few days after 1808, Napoleon abolished the centennial republic and the gin they were drinking at that time is the heritage of Dubrovnik Republic that we preserve today...

FROM CROATIA WITH LOVE 75

Vodka, mango puree, strawberry puree, olive oil, orange juice, prosecco
Good drinks and the vibe of this place have worked together for centuries, today still nothing has changed. Marijo Margaretic, our awarded bartender in 2018 became the champion of Croatia, and made it to the 2019 World Cup winning 5th place with this cocktail. For the moment live in the history, feel the glamor and revive yourself... You don't get second chances

WEISSES SCHLOSS 75

Vodka, apricot, coconut, grenadina, orange juice
At the beginning of the 20th century, a wealthy Austrian industrialist William Lerch lived in this beautiful bay, whose beneficial climate contributed to healing, so he decided to build this hotel and show everyone this small paradise on earth. In the 1914 he opens the Weisses Schloss Hotel (White Castle), which sets new standards for luxury in Dubrovnik. In the 20's it changed its name to Hotel Lapad when the most distinguished guests of the time were staying there. One guest made this cocktail timeless, the Queen Mary. Wanting to honour her russian heritage, the bartender created a unique vodka drink mixed with rosehip juice and oranges from the garden...
